Elk Point REVIEW

a division of Team Graphics Inc.

Volume 18, No. 43

50 cents (GST inc.)

Tuesday, November 10, 1998

Through the town set those nominations in

Elk Point residents have just three more days to submit their nominations for Small Business of the Year. Elk Point Chamber of Commerce has set Friday, November 13 as the deadline to receive nominations for the annual award.

What business do you feel does that little something extra to make customers happy, or goes out of their way to provide the best in customer service to their patrons? The Chamber wants you to tell them who this very special business is and why you feel it deserves an award. Mail nominations to Box 639, Elk Point or fax them to 724-4211. All nominations must be signed and must include the phone number of the sender.

No nominations had been received by the Chamber's regular meeting date of Wednesday, November 4.

Christmas Extravaganza planning underway

Christmas is on the minds of Chamber members, who are getting plans underway for their annual Christmas Extravaganza on Friday, December 4. Business representatives will meet Thursday,

November 12 at 8:00 am at the Empress to start planning the event, however, letters soliciting involvement and sponsorship have already gone out to member businesses. Watch for further details on this annual evening of fun, late shopping and excitement.

Fears of a power shortage this winter aren't likely to put an end to the Chamber's annual Christmas Lighting and Decorating Contest, although it may mean some modifications to the usual format, such as asking homeowners not to light up before a specific time in order to protect dwindling power supplies. Judging of the annual contest usually takes place about a week prior to Christmas.

Myron Goyan reported on a recent meeting between the Northern Lights Library System board executive and a joint committee of the Chamber and the Town of Elk Point, at which the last of deficiencies of the current headquarters was discussed in detail, with the committee expressing their concerns. Goyan said the board chairman denied that the list was pointed at Elk Point. The committee is still doing research and getting documentation, he said. The next NLLS board meeting is slated for November 21 in Elk Point.

The Chamber hopes to have a presentation on the RCMP commemorative March West at

their November 18 meeting, and hopes to have a good turnout to hear about this very interesting upcoming event.

WE WILL REMEMBER THEM — Remembrance Day observances are scheduled for tomorrow, November 11, in Elk Point. Groups and individuals are invited to form up in the Seniors Recreation Centre at 10:40 a.m. for the 10:45 a.m. parade to the cenotaph. A brief ceremony at the cenotaph will be followed by the laying of wreaths by governments, dignitaries, organizations and businesses. The group will then return to the Seniors' Centre for a program involving area school children and dignitaries, followed by a short worship service. The public is cordially invited to take part in the 1998 Remembrance Day observances.

■ Agricultural Initiatives

Provincial grant lightens Ag. Society debt load

A \$75,000 cheque from the province's Agricultural Initiatives Grant program was presented last week to the Elk Point and District Agricultural Society, to help lighten the debt load on both the A. G. Ross Arena and the Fairgrounds Arena.

MLA Paul Langevin, who made the presentation on behalf of Agriculture

Minister Ed Stelmach, praised the Ag Society for the "tremendous progress" they have made on paying down the debt, which at the time of Langevin's election, stood near

\$400,000. Two years ago, Langevin was instrumental in obtaining a \$50,000 grant from the Community Facilities Enhancement Program, which was also used toward paying

"It definitely helps, especially when there are not great fundraising prospects."

Dave Cousins
Ag Society Co-President

down the debt on the two facilities.

Langevin feels that "when you have an organization loaded with liabilities, it really taxes the volunteers. I hope this

will help."

Ag Society co-president Dave Cousins thanked Langevin for his efforts in obtaining the funding on behalf of both halves of the society, and said "it definitely helps, especially when there are not great fundraising prospects." Leigh Babcock, who shares the presidency with Cousins,

added, "with the way the economy is, our fundraising potential is basically gone, not only in the oil business but in the farm community as well."

SOCIETY PARTNERS SHARE -- Elk Point Agricultural Society's two operating committees will share the \$75,000 grant presented by MLA Paul Langevin (centre) last week to Society co-presidents Leigh Babcock (left) and Dave Cousins.

Committees, boards and commissions
appointed

Elk Point Town Council held their annual organizational meeting on October 28, swearing in mayor Ed Buck and councillors Mae Hendrickson, Bill Schuhmacher, Walter Lesyk and Denis Jasinsky for the coming term. Bill Schuhmacher was reappointed as deputy mayor.

Committee, board and commission appointments are as follows:

Standing Committees:

Executive Committee — Whole Council
Public Works — Buck, Schuhmacher, Lesyk
Economic Committee — Schuhmacher, Hendrickson
Public Safety/Environment Committee — Lesyk, Jasinsky
Ambulance and Physician Recruitment Committee — Buck, Schuhmacher

Legal Bodies, Boards and Commissions

Assessment Review Board — Hendrickson, Schuhmacher, Lesyk
Chamber of Commerce — Jasinsky and Myron Goyan

Canada Day Committee — Jasinsky
Community Policing Committee — Hendrickson
Elk Point Further Education — Hendrickson
FCSS — Hendrickson and Schuhmacher
Fort George and Buckingham House Historic Site Advisory Board — Buck
Interagency Health Committee — Hendrickson
MD of St. Paul Seniors Foundation Board — Buck, Lesyk
Municipal Airport Commission — Lesyk, Jasinsky
Municipal Library Board — Hendrickson
Municipal Planning Commission — Schuhmacher, Hendrickson, Lesyk
REACH — Schuhmacher
Regional Landfill — Buck
Subdivision Development Appeal Board — Buck, Lesyk, Jasinsky, Phil Sheplaw
Northern Lights Library System Board — Schuhmacher, Buck

The mayor is an ex-officio member of all boards and committees to which Council has a right to appoint members, pursuant to the Municipal Government Act.

Remembrance Day is tomorrow

Pay tribute to those who paid the ultimate sacrifice for freedom

By Deanna Easthope
FCSS Director

Tomorrow, Wednesday, November 11 is Remembrance Day. Our children are having a day off of school and some businesses will be closed.

I hope we will all take time to remember why and what we are remembering on "Remembrance Day". Why is November 11 "Remembrance Day"?

On November 11, 1918, the Armistice agreement was signed and fighting on all battlefields ceased at 11 am. The guns of World War 1 fell silent. After four long years, the "war to end all wars" was finally over.

In 1919, President Woodrow

Wilson proclaimed November 11 as Armistice Day to remind Americans of the tragedies of war. Then in 1938, a law was adopted to make the day a federal holiday, and in 1954 Congress changed the name to "Veterans Day" to honor all United States veterans.

In Canada, we know November 11 as "Remembrance Day". On Remembrance Day most people wear a poppy. This flower is worn to remind us of the many people who were killed in the fields where they grow.

The fields in which the poppies grow are called Flanders and it is in France. Flanders was a place where much fighting took place during the War of 1914 - 1918 which is known

as the Great War. It received this name as it was the first time in history that almost every country in the world was at war. This war lasted four

years and every spring the soldiers, who lived and fought in trenches, noticed the red flowers blooming all over the battlefields. As time went on

and the war continued the soldiers started to notice that the poppies started to bloom on the graves of their friends who had been killed.

In Flanders Fields

*In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below*

*Take up our quarrel with the foe;
To you from failing hands we throw
The torch; be yours to hold it high
If ye break faith with us who die
We shall not sleep, through poppies grow
In Flanders fields.*

-- John MacCrae

*We are the Dead. Short days ago.
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.*

Seniors Survey

Dr. Dobbs to speak in Elk Point

The Elk Point Interagency Health Committee is pleased to announce that Dr. Allen Dobbs, well-known Professor Emeritus in the Department of Psychology and Acting Director, Centre for Gerontology, University of Alberta has accepted an invitation to speak at the Senior's survey meeting to be held in the Elk Point Senior Recreation Centre on November 15, 1998. After the half hour or so needed to complete the survey questionnaire, Dobbs will address seniors' health care and transportation issues.

Dr. Dobbs brings a wealth of knowledge and experience in seniors' issues to Elk Point. Of his many interests, one in particular will strongly appeal to local seniors and general public who drive. He has had a

long-standing interest in the diagnosis and care of seniors with a dementing illness as it applies to evaluating their driving competence, his research leading to specific driver evaluation procedures. Dobbs is the founder and president of DriveABLE Testing Inc, Edmonton, AB. He is also the current Chair of the Alzheimer Society of Canada's Grant Review Committee.

Just a little reminder. If:

1. You are age 60 and over AND
 2. You are living on your own OR with a spouse, friend or relative AND
 3. You live within the boundaries of the County of St. Paul, and east of Dog Rump (Atimoswe) Creek, OR in the Town of Elk Point
- then this will be YOUR

chance to make your feelings about seniors' needs known. Please note: to respect confidentiality, we will NOT be asking you to identify yourself on the questionnaire nor will results from individual questionnaires be made public.

At the Elk Point Seniors' Recreation Centre - 2 PM - Sunday, November 15, 1998.

See posters for details.

For more information, call Robert Hendriks, Project Coordinator, 403-943-2433.

A MOTHER'S PRAYER
Reuben Goldsmith

Some where across the infested sea
Serving the cause of Liberty,
Dear Lord, is my brave son,
I know not how he fares tonight,
But keep him ever in Thy sight,
For I have but the one

Thou gavest two to bless my life,
But one fell early in the strife—
My first begotten son!
He with his comrades marched away,
And then a message came one day,
Dear Lord, I have but one!

Then, while so sorrowed and bereft,
Though only he to me was left,
I could not say him nay,
Who urged that duty bade him go—
His country called, he said, and so
How could I bid him stay?

But oh,

But, oh dear Lord, 'tis hard to bear,
With not another child to share
The hearth when day is done!
I can but kneel to Thee and pray;
Be with him through the hellish fray
And keep Thou safe my son!

THE PRICE

Before What is the price of freedom?
Yet bear The blood of a soldier slain,
Be Thou With the horrors of hell around him,
And And drowned in a sea of pain.

What is the price

The price of freedom?
 To face the long years of silence,
 Of joy and of hope bereft.
 What is the price of freedom?
 The cry of a frightened child
 That wakes in the murderous midnight
 To terror and anguish wild.
 And

Since for a world-wide freedom
 Shall anything now deter us?
 Shall anything less suffice?
 —Grace Mary Golden.

■ Letter to the Editor

A parent says thanks for youth dance

Dear Editor:
For the second time in as many months my two children have had the opportunity to participate in a well supervised youth activity in Elk Point thanks to the local Lions group and RCMP members. The Sights and Sound dances, both at the beginning of the school

year and most recently the Halloween dance, provided a "really fun" place for teenagers to hang out, socialize and be safe.

As a parent, I felt very comfortable having my children attend the dance. With all of the negative influences out there for children it's reassuring.

ing to know there are events such as this where kids want to be and parents allow them to be.

Many thanks to the members of the Lions organization and the RCMP for supporting families and youth in our area.

Thankfully
Diane Parenteau

Christmas Seal campaign launched

Dear Editor:

As Volunteer President of the Alberta Lung Association, it gives me great pleasure to announce the launch of our 1998 Christmas Seal Campaign. Since 1908 Canadians have used Christmas Seals on their holiday cards and gifts to show support for the fight against lung disease. Each holiday season the Alberta Lung Association (ALA) raises over one million dollars to ensure that Albertans benefit from

improved research, treatment, and relief from lung diseases such as emphysema, lung cancer, and chronic obstructive pulmonary disease.

Now, more than ever, your support is needed to help prevent the deadly lung disease that affects an estimated one in every five Albertans. Christmas should be a time of joy and song, but for thousands of Albertans it's hard to carry a tune.

By using these wonderful, festive Christmas Seals on all

your holiday packages you can help the Alberta Lung Association in our commitment to improving the lung health of all Albertans. Please give generously to Christmas Seals by mailing your donation today, or by calling 1-800-931-9111 and hear the sigh of relief your donation brings. With your help, we can all breathe just a little bit easier.

Warmest Holiday Wishes
Don Molesky,
Volunteer President

Elk Point Palliative Care presents "Tree of Hope"

The Elk Point Palliative Care program is once again presenting their annual Christmas Tree of Hope campaign.

Every light on the tree will represent a donation from area residents: white lights in memory of a loved one, colored lights for Season's Greetings, or blue lights representing special thoughts.

When you make a donation of \$10 or more, a light will be lit on the Christmas tree at the Health Centre. Your greeting and the recognition of your donation will be printed in the Elk Point Review. A tax deductible receipt will be issued upon request. You may either mail the form with your cheque or drop it off at the main office of Elk Point Health Centre.

Donations will be accepted up until December 15, 1998.

what if there was a power outage

**ALBERTA
POWER
LIMITED**
An **ATCO** Company

Don't take electricity for granted. On a whim Mother Nature can change our plans. As could a tighter-than-normal electricity supply across Alberta this winter. While we can't control Mother Nature, we're working hard to deal with the newer issue of limited supply – doing our utmost not to interrupt service.

We're the first to admit a power outage is annoying. But if you're prepared for one, things can be far more tolerable.

Work with us. Following are ways to help lessen the demands on our electricity system and stay safe if a power outage occurs.

DO avoid using your dishwasher, block heater and Christmas lights during the electricity rush hour from 4-8 p.m. We all tend to use household appliances at the same time. This creates peaks in electric demand across Alberta. If demand is higher than supply, the whole electric system will become unstable. To keep the system working, we may have to interrupt service to some customers.

DO report a power outage. Call Alberta Power.

DO check your breaker on your main electric panel if the power goes out. This will confirm if there is an outage or if there is a problem with your breaker. If you've blown a fuse or tripped a breaker, one or more of the switches may be turned off. Just turn the switches back on and power should be restored.

DO have a personal power supply kit ready to go. Your kit should include a flashlight, spare batteries, candles, matches, battery-operated radio. Keep your kit in a specific place and be sure everyone in your family knows where to find it.

DO have a first-aid kit, a list of emergency numbers, medications and back-up batteries needed by any family member on a life-support system.

DO listen to your battery-operated radio. We'll do our best to keep local media informed so they can pass information along.

DO unplug appliances during an outage – or turn off your main circuit breaker. This accomplishes three important things.

One, it helps protect your appliances from a surge of electrical energy that could damage sensitive equipment like computers, TVs or VCRs.

Two, it ensures all appliances are indeed off. This is especially important if you leave your home during an outage – you don't want to return to find a stove burner left on.

Three, it helps minimize load and keep the system stable as we work to restore power. It helps if you don't have all of your appliances waiting to draw power the instant it is restored.

DO keep a window open slightly. You still need fresh air, especially when electric-powered fans and cold-air intake systems aren't working.

DO draw drapes or cover windows with blankets to keep heat from escaping.

DO try to use your gas fireplace to stay warm. Most should function without power. Do remember though that most gas furnaces won't operate without power for the fan. However, the pilot light will stay on and the furnace will resume operating as soon as power is restored.

DO know that cordless phones or any others connected to an electric outlet won't work during a power outage.

DO be patient. If there is an outage we're likely already working on it. The amount of time it takes to restore power will depend on the type of outage. An outage related to a shortage of energy is likely to be brief – an hour or so. Outages caused when power lines are knocked out by nature can last longer – it all depends on damage and weather conditions.

DON'T be alarmed. The risk of prolonged outages is not greater than it has been in the past. But there is a somewhat higher chance of more brief outages caused by the limited supply of electricity. This type of outage shouldn't last longer than two hours.

DON'T leave burning candles unattended and never use them without fireproof holders. Always have a fire extinguisher – A-B-C type – in your home and know how to use it.

DON'T try to heat your home with a barbecue or an ordinary kerosene heater. These appliances are extremely dangerous when used indoors – you and your family could suffocate.

DON'T install a standby generator by yourself. Standby generators can be extremely dangerous if not connected properly. If you decide you need this equipment, have it installed by a certified electrician. However, if you haven't needed a standby generator in the past, you probably don't need one now. The risk of a long outage is no greater than it has ever been.

Scary stuff! Barbara Smith visits F. G. Miller

SPINE TINGLING TALES were related by Alberta author Barbara Smith.

Halloween was already over, but fear lurked in the hearts of students on Tuesday, November 3, when Alberta author Barbara Smith visited F. G. Miller High School to impart some of her favorite tales.

Ms Smith is the author of "Ghost Stories of Alberta" and "More Ghost Stories of Alberta" and is currently working on another volume entitled "Ghost Stories of the Rockies." She is also the author of two volumes of 'true crime' stories.

"I do believe in ghosts," Ms Smith told the students. "There are too many stories with common elements" for them not to

be true. She has never personally seen a ghost, but periodically smelled cigarette smoke in a house where she used to live, and said her next door neighbor's late husband "used to come back to visit." In an east-end Edmonton restaurant she saw the lid of a sugar bowl lift up, move over and set itself down on the table, without human assistance. "You wouldn't want much more evidence than that."

Many of her stories come from not far away. In Lamont, a woman walking down the street met the ghost of her father, who told her he had come back to fetch her mother. The mother died only days later. In Tofield, a family's living room is haunted by the ghost of a biker, which they have seen many times and no longer are concerned by it. From Taber came the story of a haunted hotel room where the door unlocked itself and water could be heard swishing around in an empty bathtub. Cold Lake CFB's radio station was haunted by a bad tempered ghost named Oscar who made volunteer announcers most uncomfortable as they did late night or early morning shows, and who played music in vacant rooms and made the

doorknobs rattle.

Ms. Smith visited the reputedly haunted castle at St. Vincent Lake and told of feeling very cold, and of a strange, eerie atmosphere that was far different from the warm, hospitable welcome she received from its owner.

There are far more ghost stories out there, and Ms Smith says "the grapevine is amazing. I have enough ghost stories for another book." She has also collected stories on phone-in radio shows, with callers telling her about a ghostly

infant that went everywhere with their family and about a man who met a co-worker high up on a radar tower one night and later found the man had died in a car crash around the same time.

It was enough to make students, teachers and other listeners shiver and look over their shoulders, despite the fact that they were safe and warm in the R. E. Beattie Library. Imagine what reading her stories home alone late in the evening would be like!

Indeed it does. Our internationally recognized school program complements the Alberta school curriculum and receives accolades from many — most importantly kids. Students from kindergarten to senior high learn a lot of really useful stuff about electricity and to us that's totally cool.

Sharing our knowledge is one more example of our commitment to the communities where we live and work.

The "B" Files

By Denise Smereka
F. G. Miller High School

Welcome to the "B" Files... "B" for Beattie... as in R. E. Beattie Library, located in the F. G. Miller High School. The "B" Files... updates to explain the events... past, present and future... that are occurring both in and around the school library. The "B" Files will keep parents, students and readers-at-large informed about the library phenomenon.

November 3 -

The Unexplained Explored

The junior high witnessed a myriad of ghost stories compiled and read by Alberta author Barbara Smith. Crusader agents Amanda Zaposocki (Gr. 8), Romy Rohner (Gr. 9) and John Sparks (Gr. 7) did an excellent job of introducing and thanking the author. Some of our own agents wrote down some of their eerie experiences with the unexplained in hopes that Barbara will include them in the third Ghost Stories of Alberta book. The agents were: Jaylynn Wirsta, Dana Tymofichuk, Kelly Fayant, Paul Dustow, Selena Davie, Cassie Nelson, Kyrie Loughran, Nicole Routhier, Erica Lind, Leanne Bjornstad, Kristin Campbell, Tammy Zarowny, John Sparks and Robert Lawrence. Two parents also attended the event, and we thank them for coming. Special thanks to the language arts

teachers for allowing Ms. Smereka some storytelling time prior to the author reading, and especially Mrs. Bintz who really "got into" the reading.

November 4 - 17 -

Operation Christmas Child

All students were given a 30 minute presentation which will help them build a shoebox full of love for OCC 98. A very special thanks to Mrs. Margaret Modin for dropping off the school kit and videos that made the presentations more poignant and a great success. The boxes she delivered really encouraged the students to become a part of the giving hope to others in crisis situations around the world.

November 18 -

Step Into an Alternate World

The two-dimensional world of "Rural Rootz" will be explored when Alberta cartoonist Craig George arrives at F. G. Miller High School. Craig grew up in Marwayne and is currently drawing and living in Calgary. His "Rural Rootz" cartoons appear in the Edmonton Journal and his political cartoons appear in the Western Producer. He has two published books and the third is due to be published this month. Craig's books can be ordered during his visit and he encourages students to bring their cartoons and a drawing pad.

November 28 - The 7th Cosmic Gathering of Parchment

The 7th Cosmic Gathering of Parchment (the 7th Annual Scholastic Book Fair and Craft Fair) will be occurring Saturday, November 28 from 10 - 5 at the F. G. Miller High School. Books for ages preschool, elementary and junior high will be on display. A great opportunity to get those Christmas gifts early. Craft tables will also be present. To book a table, contact Denise at 724-3966.

WANTED: We are on the lookout for old magazines our students can cut up. If you have any magazines that are taking up space, please consider dropping them off at the school library!

WHAT'S YOUR FUTURE WORTH?

You have a vision of your future. You know where you want to be, personally and financially. To help you make your vision a reality, TD Bank and TD Evergreen* cordially invites you to attend a complimentary presentation on:

Halloween update from Heinsburg

By Juanita R. Daniels
Heinsburg School Reporter

Halloween is over, and the candy bowl is nearly empty, but the memories are still lingering. Last week Heinsburg School held their annual Halloween events for the

school.

The day started off with face painting and costume judging, which was greatly enjoyed by the Elementary students. Then came the yearly initiation of the Grade 7 students, new students and new staff. By rolling the "dice of doom," students

and staff accepted fates like "slithering across the gym" and "wearing a dress for a day."

The "dice of doom" was followed by the team events. Some of the events were apple bobbing, a balloon pass, and a tug-of-war. All of the students had a great time and there were many laughs throughout the day.

To round off an already fun day, the students moved out of the gym and outside for pie-throwing. Of course, nearly all of the whipped cream got stuck on clothes and in our hair.

All in all, everyone had fun. I'll leave you with some comments on the events:

"I had a fun time." — Aaron, Grade 12

"It added excitement to the school day." — Sheila, Grade 12

"Our team won!" — Sarah, Grade 10

"It was fun and adventurous." — Randi and Meaghan, Grade 3

■ Sports

The ice is in — curling starts soon

The ice is in at Elk Point Curling Club, and curling may start as soon as next week. Mixed, ladies and men's teams will curl Tuesday and Wednesday nights this year, and the club is tentatively looking at an afternoon league for ladies and seniors.

If you are planning to curl this year or would like further information, please call Curtis at 724-3763 or Richard at 724-3883.

what's NEWS at the LIBRARY?

Halloween storytime: a pretty good party!

Lots of treats and not a single trick from young booklovers

By Karina Mitchell
Librarian

Halloween has come and gone and all that is left is a dull ache in one of my molars and a few candies (unlike last year, I showed a bit more restraint with the Halloween goodies this year).

As usual the Library had its annual Halloween party and it was a lot of fun. We had a robot, a cat and a ghost and many other fun, furry and scary visitors. We even had a couple of special guests — the Cat in the Hat and a Very Impressive Pig — come and read us some stories. Thank you Sherry Pelech and Vicki Brooker for adding to the festivities with your costumes, story telling and enthusiasm.

After decorating their treat bags, all the little goblins got treats and left without doing any tricks. A pretty good party

if you ask me!

This week's new book treats are ...

For Adults:

Jane Whitefield comes out of retirement to help a colleague of her husband and discovers an organization using her methods and reputation to destroy, rather than save, lives in *The Face-Changers* by Thomas Perry.

How to Give a Damn Good Speech by Philip R. Theibert provides you with professional speechwriters' techniques to make each and every speech a powerful presentation.

Prairie Sentinel: the Story of the Canadian Grain Elevator by Brock W. Silversides covers the history of these Prairie icons from the first elevator in 1879 to the present.

For Young Adults:

In *Max the Mighty*, Max Kane, the brooding giant-of-a-

boy, is accused of a horrific crime. He and a young girl named Worm flee across America chased by the police and a mysterious man known as the Undertaker. The teens can only survive if they confront Worm's darkest and most revealing secret. This is another wonderful novel by Rodman Philbrick.

Instead of feuding, the visiting English friend, and Veronica are spending all their time together. The other members of the Saddle Club are confused. Have the two really become friends or is something else going on? Find out in

English Rider.

Picture Books:

When Aaron has to give up his beloved animals, he searches for a pet that won't aggravate his allergies in *Aaron's Awful Allergies* by Troon Harrison with picture by Eugenie Fernandes.

The joys of a snowy day are revealed in *Flannel Kisses* by

Linda Crotta Brennan with pictures by Mari Takabayashi.

Library Calendar:

Fridays, 10:30 am - Story Time, all are invited.

Wednesday, January 6, evening - Friends of the Library have a bingo in St. Paul. Workers can sign up at the Library.

In Memoriam

In memory of

Stella Uchman

who passed away Nov. 14, 1993

Lovingly remembered and deeply missed by Irene, Earl, Rob & Darcy

ZAROWNY, John

In loving memory of John Zarowny, who passed away on November 14, 1982.

Your memory is a keepsake
With which we will never part
God has you in his keeping
We have you in our hearts

Forever loved and dearly missed by your loving family.

OBITUARY

HEINEMANN, Anastasia (Nancy) Nee Zarowny

Mrs. Anastasia (Nancy) Heinemann (nee Zarowny) of Elk Point, born January 11, 1920, passed away on November 7, 1998 following a heroic and lengthy struggle with cancer.

She leaves to mourn her passing her beloved husband, Karl; 4 sons, Lennie and his wife Bonnie of Wainwright, Clarence and his wife Lois of Stony Plain, Eugene and his wife Kate of Rocky Mountain House, and Tim of Edmonton; 13 grandchildren; 4 great-grandchildren; 2 brothers and 2 sisters: Carl Zarowny and his wife Jean of St. Paul, Nick Zarowny and his wife Elsie of Vancouver, B.C., Nellie and her husband Bud Rockwell of Westlock and Victoria Kuzyk of Vancouver, B.C.; sister-in-law, Nancy Zarowny; also, numerous nieces, nephews and cousins. She was predeceased by her daughter, Carol; her parents, Casper and Rosalia Zarowny; 4 brothers, Frank, Walter, Alex, and Louie Zarowny; 2 sisters, Geneva Treflak, and Ann Podlosky; and a nephew, Jerry Zarowny.

Prayer Service was held Monday, November 9 at 7:30 pm at Yewchin's Funeral Chapel, St. Paul. Mass of Christian Burial Tuesday, November 10 at 11:00 am at St. Michael's Roman Catholic Church, Elk Point. Reverend Father R. Hanaczewski will be the celebrant with interment in Mooswah Cemetery, Lindbergh. No flowers by request. If friends desire, donations to St. Michael's R.C. Church or the Elk Point Seniors' Centre c/o Box 425, St. Paul, AB., T0A 3A0 would be greatly appreciated.

review-SPORTS this week

Sticks and pucks, let's muck it up

By Doug Bassett
Review Sports

"Attitude, a little thing that makes a big difference". This is a quote from an autographed photo that Fiona Smith gave me last week. Fiona, a defenceman from the Women's Olympic Silver Medal hockey team, was in town to visit her sister Gillian Cousins, and helped run all our practices on Monday and Tuesday night along with Dave McLelland, who is giving monthly goalie clinics. Fiona has a lot of knowledge to offer, playing at the level that she has achieved, and it's great to see a professional athlete like herself, taking the time to give some of it back to the kids.

The Thunder hosted the Tier 1 team from St. Paul in an exhibition game Friday night. Returning to the 'Dome to play against his old teammates, St. Paul's goalie, ex-Elk Point Lightning player Tyson "Red" Balash.

The boys came out sluggish in the first period, and with some huge saves by "Red", the Thunder found themselves down 4 to 1, their only goal scored by Ben Matthews, .5 seconds before the horn in the first period. Late into the second peri-

od the boys finally picked up the pace, with goals by team captain Jordan Bassett and Rocky Pankiw. Into the third period with time running out, Shane Braithwaite scored his third of the season to tie the game at four. Then, with only 2:54 on the clock Simon Giesbrecht turned on the red light for the winner.

Sunday in Dewberry the Thunder played a physical game against Lashburn, losing a close one, but filling a page full of penalties. A good game for Eric Wyness who scored a goal and two assists. Assistant captain, Simon Giesbrecht and speedy centremen, Scott Stone also scoring for the Thunder. This coming weekend the Thunder are in Lloydminster on Friday night, and are hoping to book a game on Sunday.

The Bantam Colts, with four goals by Brian Poitras defeated Paradise Valley 11 to 9. Then on Sunday in Dewberry winning 10 to 5 over Macklin. Four goals in this one by Kurt Bensmiller, who then returned to the ice with the Thunder and played a heck of a physical game.

Goaltender Joanne "JoJo" Demoisac who faced close to sixty shots when the Midget Girls Storm hosted Irma. This

will likely be the last time the Storm will play Irma, after December the Midget girls league will be tiered.

The Peewee Blades were pumped up and ready when they had a big 10-4, good buddy, win over the Kitscoty Dobermens. On Sunday the Blades played Bonnyville's tier 1 team, losing this one 10 to 7.

The Atom Avalanche played a very fast paced game against Cold Lake on Saturday losing 6 to 5.

The Novice Hurricanes, after losing in St. Paul on Saturday, came back on Sunday to beat Glendon 6 to 2.

The Peewee Girls Cyclones played in their first game of the season against Vermilion on Sunday. Cyclones' only goal was scored by Ashley Hebblethwaite.

The Micro Novice Tornados won their first game of the season in Mallaig on Saturday.

Up in the senior league, the Elks lost their first game of the season in Onion Lake on Friday night 4 to 3. This coming Friday the 13th the Elks host Dewberry in their first home game. On Sunday, Marwayne will be in town to meet the Elks.

Make sure you come down and check this team out.

DAYLAN HOFFMAN (right) won silver and travelling partner Kristen McLeod won bronze at Regional competition.

Skaters win silver, bronze at Regional championship

Two members of the Elk Point Skating Club have returned victorious from the Alberta/Northwest Territories North Regional "A" Championships, held October 29 - November 1, in Edmonton. A total of 97 clubs make up the north region.

In the Pre-Juvenile Ladies division, ten-year-old Daylan Hoffman of Elk Point brought home a silver medal and associate member Kristen McLeod of Bonnyville, also age 10, brought home a bronze.

The two will be among eight top skaters in their age group who will represent the north in the 1999 Bank of Montreal Sectional Championships, November 11 - 14 in Stettler.

Daylan and Kristen have been travelling partners for the past three years. Both girls are coached by Sandra Lindenback and Andrew Haggerty. The girls are associate members of the Leduc Skating Club, where they skate every weekend, as well as skating during the week in Elk Point.
